WPMS No. 875 of 2003

Hon'ble Rajesh Tandon, J.

Present writ petition has been filed against the order passed by the respondent no.1. By the impugned order amendment has been allowed and the revision against the said order has been rejected on 5.8.2003.

The revisional Court has dismissed the revision on the basis of the judgment of Apex Court report in 2003 (2) A.R.C. 1. Since the order of amendment being interlocutory in nature, it will be open for the petitioner to challenge the order if the civil suit decided against him and regular appeal under section 96 C.P.C. is preferred.

With the aforesaid observations writ petition is dismissed.
